Firebase Engineering Manager at Google

startupandrew@gmail.com

---

## Summary

I specialize in making APIs that developers love.

---

## Experience

### **Firebase - Engineering Manager at Google**

October 2014 - Present

I work on making Firebase even more awesome.

### **Co-Founder at Firebase**

August 2011 - October 2014 (3 years 2 months)

I was a cofounder at Firebase until it was acquired by Google in October 2014.

### **Co-Founder at Envolve**

May 2009 - April 2012 (2 years 11 months)

### **Co-Founder**

July 2008 - February 2010 (1 year 7 months)

[Acquired by TrackItBack, a Canadian competitor]

Led the technical design and implementation of the world's first free lost and found tracking service.

Voted #64 in PC Magazine's top 100 products of 2009.

### **Co-Founder**

December 2007 - June 2008 (6 months)

Conceived and wrote a patent for secure mobile biometric authentication. Led the research and drafting of a business plan for a high security payments business. Implemented a prototype secure authentication system.

### **Systems Software Engineer at Green Hills Software**

June 2006 - December 2007 (1 year 6 months)

Customized Green Hills's high security and real-time software for major customers. Built device drivers.

Ported client software to the INTEGRITY operating system.

### **Software Engineering Intern at Seagate Technology**

June 2005 - August 2005 (2 months)

Wrote MatLab software for testing the seek performance of hard drives. Designed a testing system to measure the imbalances in hard drive armatures without opening the drive.

### **Software Engineering Intern at Adobe Systems**

June 2004 - August 2004 (2 months)

Worked on the PDF export functionality of Photoshop CS3

### **Software Testing Intern**

June 2003 - August 2003 (2 months)

Tested medical sales software on mobile devices and on the web.

---

## Education

### **Rose-Hulman Institute of Technology**

BS, Double Major, Electrical Engineering and Computer Science, 2002 - 2006

**Activities and Societies:** Aerial robotics club, WMHD
