Jason Wharff

Ruby on Rails Developer @ Apple

Summary

Designer, Developer, Artist, Professional Tinkerer, Constant Learner. I'm a monster that gobbles up life.

Experience

Ruby on Rails Web Developer at Apple

Software Engineer at EverQuote
October 2015 - October 2016 (1 year)

Ruby on Rails Web Developer at EverQuote
April 2015 - October 2015 (6 months)

Developer In Residence at General Assembly
January 2015 - April 2015 (3 months)

   WDI what!

Web Development Immersive Student at General Assembly
September 2014 - December 2014 (3 months)

Designer, Front End Developer at Center for Social Innovation
2009 - September 2014 (5 years 8 months)

   I've been a one-man design wrecking crew with license to think for myself in a startup environment. I work
   with everyone in the company, from the top down, and I started from the bottom and worked my way to the
   top.

Designer at Brigham and Women's Hospital
2009 - 2009 (less than a year)

   Started out as an intern with the Biomedical Research Institute @ BWH and that spawned an opportunity
   with Partners' Core Facilities to create a visual identity.

Education

General Assembly
Web Development, 2014 - 2014
School of the Museum of Fine Arts
2008 - 2009
Elon University
Bachelor, Art, 1998 - 2002
